

African Journal of Engineering Research and Innovation

AJERI

CALL FOR PAPERS

The African Journal of Engineering Research and Innovation (AJERI) is published by the Institution of Engineers of Kenya (IEK) through support from Engineers Board of Kenya (EBK).

AJERI is a quality peer reviewed journal of engineering, research and innovation. It publishes articles from Africa and the rest of the world.

AJERI wishes to call for submission of papers of original research and innovation. The papers should be sent to the address below.
