1 INTRODUCTION

The Constitution and Bylaws of IEK provide that the Council may establish committees to undertake specific functions of behalf of Council to further the aims and objects of the Institution. Accordingly, the Council at its 465th meeting held on 24th April 2020 established a committee to be known as the Events and Functions Committee.

The Committee may establish sub-committees to assist it in the conduct of its business provided that the Council approves such action.

2 PURPOSE

The overall purpose of the Events and Functions Committee (CBMC) is to plan, organize and implement IEK's events and conferences with a view to promoting professional and business networking amongst members and related external organizations. The Conferences will proffer a forum of exchange of knowledge to ensure members are kept abreast of developments in the world of engineering and affiliated fields.

The events will also present an opportunity for members to socialize thereby promoting a sense of belonging and identity as a fraternity of persons in the Engineering and affiliated professions. The Committee will align all events and conferences with the roles, priorities and strategic intent of the Council to:

- (i) promote excellence in engineering practice in the country;
- (ii) provide a variety of networking programs and events that cater for the diverse segments of engineers and levels of membership;
- (iii) Promote "thought leadership" in engineering matters;
- (iv) Ensure engineers remain contemporary, connected and responsive to wider societal needs;
- (v) Create opportunities for members to disseminate and share knowledge gained in their diverse areas of specialization;

For the Committee to serve its members and all its stakeholders effectively, it shall regularly consult with the IEK Council and its broad membership so as to organize Events and Functionsthat will position IEK as the engineering institution of choice in Kenya and the region.

3 RELEVANT APPLICABLE STRATEGIC GOALS

The Strategic Plan 2019- 2023 seeks to position IEK as an effective platform for the delivery of an exciting value proposition to its members, thereby attracting and retaining members. The IEK Events & Conferences Committee will contribute towards achievement of the following strategic goals drawn from the IEK Strategic Plan 2019-2023:

- a) **Strategic Goal 1: Grow IEK membership to 20,000 by 2023;** By facilitating events that promote diversity and inclusivity in engineering such as networking events for women engineers and young engineers among others, more members will be attracted to join the institution.
- b) **Strategic Goal 2: Relevance;** The Committee will Organize functions and events for networking, social events (such as for charity, golf, marathons, walks) that will foster closer ties among engineering firms and promote collaboration among engineers and engineering firms for mega projects. In this regards the committee will work closely with Women (WEC) and Youth Committees (YEC).
- c) **Strategic Goal 3: Promote excellence in engineering;** The Committee will enable attainment of this goal by organizing events and functions that facilitate exchange of knowledge, recognition of excellence in engineering and dissemination of research work findings such as conferences. The committee will also support stakeholder engagement events.
- d) **Strategic Goal 4: Raise revenue to Ksh 600m by 2023;** The Committee will raise revenues from conferences and other events organized for members to network, learn or socialize. During such events the committee will facilitate the sale of merchandise and other objects of interest to members to generate revenue for the Institution. In this regards the committee will work closely with Resources Mobilization and Partnerships Committee.

4 RESPONSIBILITIES AND FUNCTIONS

The responsibilities and primary functions of the Committee include but are not limited to: -
