Candidate's Name:

EBK No. BXXXX, IEK No. G.XXXX

Date:

CERTIFICATION

This is to certify that this project was prepared by the candidate (NAME) for the project that he carried out in the course of his duties under my supervision.

Signed.....

Supervisor's Name:

EBK No. BXXXX, IEK No. M.XXXX

Date:

1.0 Introduction

Give a brief introduction of the project and notations used.

1.1 Design information

Give a brief design information, indicating any assumptions made as you indicate the standards used to carry out the designs.

2.0 DESIGN CALCULATIONS

Give detailed design calculations relating to one or more of your own submitted drawings covering most of the design elements. For example, for structures, give the calculations for the slabs, beams, columns and Foundations.

3.0 TAKING OFF SHEETS AND BILL OF QUANTITIES

Candidate to include in the report a set of quantities including abstract and Taking off sheets relating either to one of the submitted drawings or to another drawing, not prepared by you which must be submitted.

4.0 DRAWINGS

At least two and not more than four working drawings to be included in the report. Though optional, a candidate can include site Photos to illustrate how they undertook the quality control for the project.

NB

Three (3) copies of the report to be submitted.
