

Eng. Christine Ogut, Deputy Director Safety Audits and Inspections, NTSA seeks position of an Ordinary Council Member. She is a Civil Engineer with 28 years' road sector experience in. She was Chief Officer Roads, Transport & Public Works/ Environment, Energy & Water, Nairobi County Government, Director Nairobi Water and Sewerage Company, Manager (Roads), KURA. As 1st President of Africa TechNet she provided training opportunities for Technical officers in Africa.

As an Ordinary Council Member she worked with schools, universities to promote STEM and women in Engineering, mentored Graduate Engineers, advocated Engineers welfare and cheaper costs for CPD program. She is a member of WFEO Standing Technical Committee on Environment. She served as vice chairs for Welfare Committee and Women Engineers' Chapter, Member of Mentorship and Capacity Building Committee, and Alternate Dispute Resolution Committee.

I commit to:

1. **Promote** Local Content in infrastructure procurement and create opportunities
2. **Champion** Engineers Rights by protecting Engineers against inadequate compensation, competition by unqualified practices
3. **Raise** Engineers Standing , Visibility, Relevance and Interests
4. **Increase** industry engagement
5. **Facilitate** expertise in decision making
6. **Transition** GE to PE

I envision "A Greater Entrusted and Glorious Engineer". I will represent all Engineers views while promoting highest Governance and Accountability standards.
