

Eng. Mwashigadi is a holder of a Bachelor's Degree in Electrical and Electronics Engineering from Jomo Kenyatta University (1997), and is employed by Kapa Oil Refineries Ltd as Master Specialist having worked in Kenya Petroleum Refineries Ltd (KPRL) for 18 years.

Has served the IEK as Honorary Treasurer for 2 years and these are the key achievements.

- Improved financial management system – moving from manual systems to cloud based accounting system. (WE CANNOT CONTROL WHAT WE CAN'T MEASURE)
- Played a key role in Membership Management System and its interface with accounting system to facilitate faster invoicing/receipting of payments.
- Restructured the Secretariat to ensure optimal and continual service improvement for you as Welfare Chair.
- Budgeting and cost control during conference organization which realized revenue growth of over 20%.

He is a committee member for

- KEBS/TC 086 "Switchgear and distribution equipment".
- KEBS/TC 092/SC 04 "Energy Management".
- KEPSC Public Finance Sector Board.

Being passionate about growing and safeguarding members' finances Eng. Mwashigadi, would like to achieve this by:

1. Boosting revenue base through membership growth.
2. Increasing sponsorship geared towards lowering training fees.
3. Automating systems to enhance efficiency and effectiveness.
4. Promoting recognition of Engineers and increased visibility by embracing professionalism.
