

IEK ELECTIONS Candidates bio

Candidate Name	Eng. Stanley K. MUSAU	
Fellow Member No:	F.3594	
Discipline	Chemical & Process Eng	
Cell Phone:	0724-716263	
Email	smkalile@yahoo.com	
Current Employer	KONE East Africa – Director New Equipment Business	
Position vying for	Ordinary Council Member 2020-2022 IEK Council	
Why Me?		
<ul style="list-style-type: none"> Spearhead creation of opportunities to the young engineers through a structured career path right from university through linkages with the industry and academia 	<ul style="list-style-type: none"> Forster unity and close the bridge between the senior and eminent engineers with the young/youthful engineers, Engineering Students and graduates 	
<ul style="list-style-type: none"> Mentorship and internship placement in a structured and practical manner to realize higher GE→PE transition Continue the good story on Graduate Engineers mentorship and transition to Corporate Membership 	<ul style="list-style-type: none"> Enhancement of Local content in all internationally tendered projects to curb unemployment of our young engineers. As KEPSA sector boards member, use my position to advance enactment of policy and laws on Local Content Laws. Draft regulation and policy is already in place 	
<ul style="list-style-type: none"> Promote women engineers active participation and continuous mentorship 	<ul style="list-style-type: none"> Fair remuneration to interns and graduate engineers thru fair pay policies 	
<ul style="list-style-type: none"> Ensure accreditation and quality of engineering courses is realized 	<ul style="list-style-type: none"> Exchange programs realization 	
My Story		
<ul style="list-style-type: none"> Bachelor's Degree(B. Tech. Hons) from Moi University) graduating in 2004 MBA Holder from UON (class of 2012) 16 years' experience in Engineering, Process, Research and General Business Management in two of the largest Scandinavian organizations in East, Central and West Africa. 	<ul style="list-style-type: none"> I have worked with Atlas Copco East & Central Africa Ltd in different roles for close to 8 years in East & Central Africa and a further 3 years in West Africa Currently the Director of New Equipment Business with KONE East Africa Ltd, a renowned provider of innovative people flow solutions. 	
<ul style="list-style-type: none"> Registered Professional Engineer with the Engineers Board of Kenya. Fellow Member of IEK. 	<ul style="list-style-type: none"> Member of <u>KEPSA</u> Sector Board (Lands, Physical Planning and Housing) Represents IEK at the <u>APSEA</u> 	
<ul style="list-style-type: none"> Currently serving as an Ordinary Council Member of the outgoing 2018-2020 IEK Council 	<ul style="list-style-type: none"> Currently mentoring 27 GE towards PE registration. 6 PE registered under my mentorship since July 2018 	
My Values		
Integrity, Ethics, Honesty and Transparency
