Notes

1. If you choose more than one nominee, you need to apportion the percentage of share against each of the nominees, in the indicated space e.g. 20%, 30% etc.
2. You may change your nominee(s), by filling another form, from time to time and necessary alteration shall be made in your record.
3. If you nominate a minor, the cooperative law provides that the money may be given to the person who appears to be your personal representative or be forwarded to the public trustee.
